IPMS FREMONT HORNETS
Serving Scale Modelers Since 1977
<https://fremonthornets.yolasite.com>

SCALE MODEL CLUB MEETING!

We're a San Francisco Bay Area model club dedicated to the promotion of the hobby of scale modeling. We are a proud chartered chapter (since 1977!) of the International Plastic Modelers Society (IPMS-USA).

Our meetings are always open to visitors (membership is encouraged). Our membership of builders is as diverse as the types of scale models they build. From all scales of model aircraft, military vehicles, cars and trucks, ships, space craft and figures to name a few . So come prepared to have fun!

IPMS/Fremont Hornets meets the second Friday of each month at 7:30 PM at the Irvington Community Center in Fremont. The address is 41885 Blacow Rd. Fremont, CA

Thank you to **Hobbies Unlimited** in San Leandro, a proud supporter of IPMS Fremont Hornets.

During AUGUST Hornets Nest I captured this snap shot and had similar question to title. It's reminder to STAY IN TOUCH

Well dear Reader, in fact the answer to what picture of, how it relates to our club, this issue of the Buzz: The fine Upstanding Free Hornet Mr. Dave Parks (aka our newest of that Officer known as TREASURER) thought we needed a better way to communicate our existence to others. Due having not had a paper form of any kind to impart data about us, to a potential New Hornet at Hobbies Unlimited, one fine day recently then.

While I'd in fact created such a device, even had it on the very website which Dave used to form some of his fabulous new bit 'o good news, clearly I had not stayed in touch enough or made it more clear where old flyer of mine was ! So much for WEB PRESENCE!?! Thanks to Dave, HIS BETTER IDEA is now on hand at Hobbies Unlimited these days. Bravo, Treasured Dave.

As it were, another Free Hornet Dave (Newman) sent me a memo to remind all about another event coming SOON . So I CALL THIS THE EMERGENCY EVENT NEWS ISSUE

NEXT Hornets Nest Night Friday NOVEMBER 08 @ Irvington Locale

Yes, this is a test. Which one of these photos is not like the others?

If you guessed this one, you're right. There is no real folk gathered around any table here ☹️

AND SOME SURPRISE FUN on SUNDAY

Thanks to Wine Country Modelers & FUNDEMONIUM Hobbies

Hello Fellow Modelers,

When we heard that there wasn't going to be a local model show this year, one of our members came up with the idea of our club sponsoring and helping put on a contest and show with Steve. He has done so much for so many of the local clubs, it was an easy decision to make. We want to help promote the hobby and the store.

Here we go...

This is a **contest** with **trophies** that will be judged using the same set of guidelines/rules (Found here: <https://tinyurl.com/y5ppnj8s>) as shows past that were put on by IPMS and Fundemonium. These are fair and well established rules. Categories should be on the Fundemonium info page <https://tinyurl.com/y5qb8dlh>

Not a contest builder? No worries, please bring your work just for display.

There will be **vendors!!** Want a table? Here you go... <https://tinyurl.com/y5qb8dlh> . Please contact Steve.

There will be a **raffle**, which is being stocked with model donations used and new. 100% of the money from the raffle is going to be donated to a local Veterans group in Yountville that promotes hobbies among Veterans. Please help if you can with model and model related donations to help raise money.

Our club has no bank account, members are paying for the trophies and contest supplies out of their own pockets and will not be taking a single penny in return. If anyone would like to help us at the show, we could use the volunteer help.

Please come and enjoy the contest and show.

Feel free to contact us at winecountrymodelers@gmail.com to help out in anyway or have any questions.

Thank you,
Steven and Jean Elliott
