“IT FIGURES”- Lester Tockerman Memorial Award Series
(only Junior or Youth entrants eligible)

Sponsored by: Mick Burton

3 part award – Lester had a big, outgoing, sociable personality with a big effect on those around him. So it’s only fitting that his award reflect him.

- 1- **“It Figures”** – This will be awarded to the Junior or Youth modeler who has the MOST entries at the event (regardless if any or all win). Lester was always about promoting modeling to the young and he, as a teacher, was especially fond of seeing that spark lit up in children's eyes when they found something that they really enjoyed. So to match his prolific entry output and encourage more like him...Prize: \$50
- 2- **“It Figures (Again)”** – Junior or Youth Modeler who has two or more Figure and/or Armor vehicle entries. In the event of a tie or multiple entries by a modeler of one not the other, the judgment will go to the one who has both first, and then to the one who has most of one or the other (see #3) ...Prize:\$25.

Figures and Armored vehicles were two of Lester’s most passionate subjects. So I’m sure he would’ve been really pleased if there were some to be seen and entered.

- 3- **“It Figures (‘N’ It All Adds Up)”** – Junior or Youth Modeler who has placed second or tied for “It figures again” (#2) above. If there is no qualifier for that, then it will go to the runner up for most entries award (#1) ...Prize: \$25
